

Inhalt

| | |
|---|------------|
| Vorwort | IX |
| Einleitung und Zusammenfassung | XI |
| A. Die globale Herausforderung | XI |
| B. Die US-Interessen | XIII |
| C. Lösungen zeichnen sich ab | XVI |
| D. Zusammenfassung der Empfehlungen | XXI |
| 1. Population | 1 |
| A. Population Assistance | 5 |
| B. Biomedical Research | 8 |
| C. Policy Development | 10 |
| D. Public Awareness | 11 |
| 2. Food and Agriculture | 13 |
| A. Assistance and Cooperation for Agricultural Progress | 16 |
| B. Sustaining Croplands and Rangelands | 20 |
| C. Technical Measures To Increase Food Output | 31 |
| D. Food Security | 40 |
| 3. Renewable Energy Resources and Conservation | 42 |
| A. International Proposals | 44 |
| B. Domestic Recommendations | 60 |
| 4. Tropical Forests | 66 |
| A. World Program for Improved Tropical Forest Management | 70 |
| B. Strengthening U.S. Capabilities | 72 |
| C. U.S. Support for International Programs | 78 |
| 5. Biological Diversity | 84 |
| A. Comprehensive U.S. Strategy | 87 |
| B. Identification and Protection of Global Biological Resources | 89 |
| C. Technical Assistance for Training and Education | 96 |
| D. Institution Building in Other Nations | 99 |
| E. Design of Ecosystems Reserves | 99 |
| F. Improving U.S. Ability To Offer Technical Assistance | 100 |
| G. Enforcement of Controls on Trade in Protected Species | 101 |
| H. Introduction of Exotic Species | 101 |
| 6. Coastal and Marine Resources | 103 |
| A. Sustainable Fisheries Management | 104 |
| B. Coastal Habitat Protection | 108 |
| C. Pollution | 112 |
| D. Marine Sanctuaries | 114 |
| E. Whaling | 115 |
| F. Antarctica | 115 |

| | |
|--|-----|
| 7. Water Resources | 118 |
| A. Data, Policy, and Planning | 120 |
| B. Training in Water Resources Management | 121 |
| C. Research | 122 |
| D. Drinking Water and Sanitation | 123 |
| E. Conflict Resolution | 124 |
| 8. Global Pollution | 126 |
| A. Contamination from Hazardous Substances | 126 |
| B. Nuclear Wastes | 133 |
| C. Global Atmospheric and Climate Problems | 137 |
| 9. Sustainable Development | 145 |
| A. International Assistance | 148 |
| B. Bilateral Assistance | 151 |
| C. Integrating Natural Resource and Environment Considerations | 152 |
| D. Technical Assistance | 155 |
| 10. Institutional Changes: Improving Our National Capacity To Respond | 156 |
| A. The Government's Predictive Capability | 157 |
| B. Policymaking on Long-Term Global Issues | 163 |
| C. International Initiatives | 179 |
| D. Public Awareness | 188 |
| E. Conclusion | 192 |
| Appendix. Global Future Staff and Participants | 193 |
| Index | 198 |
